

Timeless Appeal. Advanced Durability.

Create a work of art that's consistent every time.

A custom look for real life—fast-installing and as tough as it is beautiful. The MEDICI™ Polyurea Colour Coating System allows you to create a wide variety of decorative finishes that outlast and outperform any other acrylic or acid stain currently available. No fading. No unexpected color variations. Just a consistent, spot-on finish that looks as perfect today as it will 10 years from now.

Quickly install floors with the one-of-a-kind **MEDICI Dualie Roller™**.

EASY APPLICATION

STEPS

- Carefully prepare and clean floor
- Mix and roll apply 2-color base coat
- Roll apply Polyurea-1 HD™ clear coat
- Foot traffic in as little as 4-8 hours

HIGH SOLIDS CONTENT AND EXCELLENT ABRASION RESISTANCE OF THE POLYUREA-1 HD™ MAKE IT THE OPTIMAL CHOICE FOR ALL APPLICATIONS.

THE LEADER IN 1-DAY POLYUREA FLOOR APPLICATIONS

CITADEL FLOOR FINISHING SYSTEMS continue to be the industry leader in environmentally-friendly Polyurea floor coatings designed to enable contractors to offer customers a premium floor coating in the most economical way possible. Our manufacturing division has been developing and applying Polyurea coatings for more than 25 years.

Timeless Appeal. Advanced Durability.

Introducing a revolutionary coating system that transforms floors and surfaces in one day.

- PREMIUM DEPTH AND COLOR • AS DURABLE AS IT IS BEAUTIFUL •
- AT A FRACTION OF THE PRICE OF STONE •

No scratches, cracks or peeling. Our exclusive Polyurea-1 HD™ is the most advanced and durable coating technology available.

Timeless Appeal. Advanced Durability.

A flawless finish that stands the test of time.

The custom look of designer flooring is now more affordable than ever with the **MEDICI™ Polyurea Colour Coating System**. With finishes inspired by the rustic warmth of Tuscan villas, **MEDICI™** offers an easy-to-apply, eco-friendly coating that adds the ultimate depth and maximum durability to any surface. Endless color combinations create the illusion of unsurpassed richness and translucence. And with our revolutionary **Polyurea-1 HD™**, floors won't just be gorgeous—they'll stay that way.

Cost-effective. Safe. And virtually indestructible.

AFFORDABLE

- Less expensive than acid stain and solvent sealer and installs in one day
- Economical alternative to stone tile

EASY TO APPLY

- Foot traffic in 4-8 hours
- Auto traffic in 24 hours
- Unlimited pot life

ECO-FRIENDLY

- Replaces acid staining
- Ultra low VOCs and virtually odor-free
- Sustainable—does not require recoating every year

VERSATILE

- Infinite color combinations
- Perfect for indoor and outdoor applications—even in cold temperatures

INDUSTRIAL STRENGTH

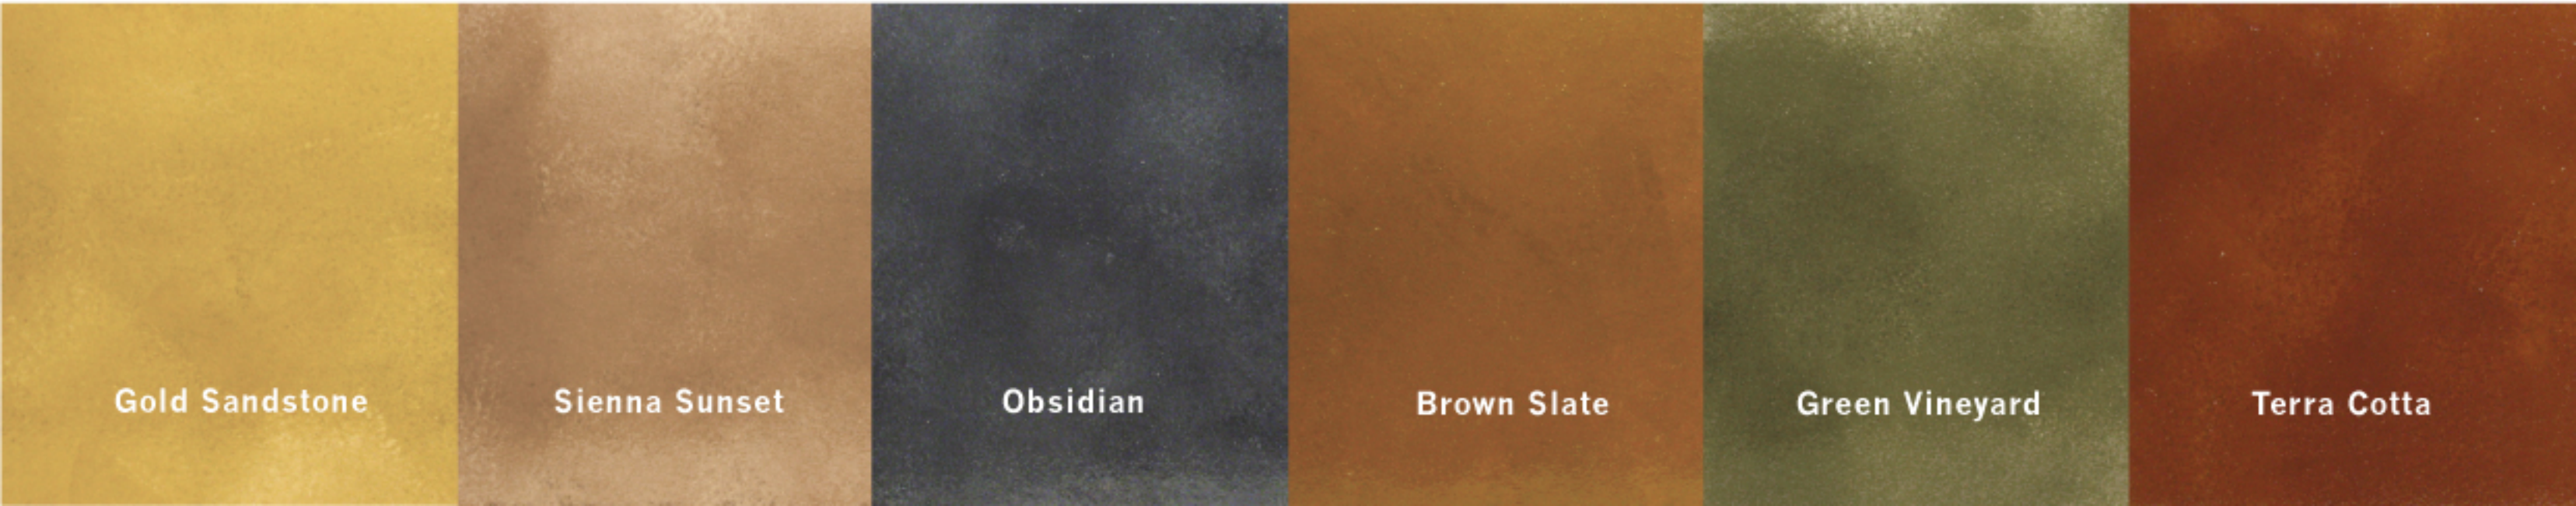

- 20X stronger than epoxy
- Lasts up to 20X times longer than typical stain floors
- No fading or yellowing
- Highly resistance to salt, oil, gas and household/industrial chemicals
- 100% UV stability

WHAT IS POLYUREA?

Polyurea is the latest advancement in coating technology providing the best of all worlds—20 times stronger than epoxy and 98% more flexible—allowing for natural concrete movement that will not crack or peel.
