

Poly 4 XT

Poly 4 XT is a ready to use, high performance gloss topcoat that provides industry leading durability and return to service performance. It is ideal for decorative and functional flooring applications that require protection from UV rays, abrasion, scratches and many of today's harshest chemicals. Its high solids 1K uses a propriety non-isocyanate moisture cure technology that is unlike any high performance top coat on the market.

- Tough and Durable; 3x more scratch and mar resistance when compared to polyaspartics
- Quick Full Return to Service, an unheard of 4 hours at 75F and 50% RH
- Single component, high solids and VOC compliance for easy, consistent installations; 1/4" lint free roller at approximately 4mils or 400sf/gal.
- Unique aliphatic chemistry provides excellent protection from UV rays, harsh chemicals and abrasion
- Ideal for commercial, institutional and industrial applications
